

**REMARKS**

The undersigned wishes to extend appreciation to Examiner Cuevas for the courtesies extended in telephonic interviews on August 17 and September 1, 2005. The substance of those interviews are hereby confirmed and expanded upon.

Examiner Cuevas indicated that the claims as amended in the Amendment filed on June 27, 2005 were in condition for allowance. However, it was felt that the drawings were too diagrammatic such that reference had to be made to the specification to fully understand the invention. Thus, Figure 2 has been amended in a manner as requested by Examiner Cuevas to incorporate subject matter disclosed in the specification.

It is the understanding of the undersigned that with the amendment to Figure 2, the above application is in condition for allowance. Such favorable action is respectfully requested.

Respectfully submitted,

Jwo-Hwu Yi

Dated: September 6, 2005.
